

Theodor Wuppermann joins Keensight Capital as Associate Director

Keensight Capital, one of the leading players in Growth Buyout¹, today announced the appointment of Theodor Wuppermann as Associate Director.

Bio - Theodor Wuppermann benefits from over 7 years of experience in private-equity investing within Europe and has developed a particularly strong expertise in the healthcare sector.

Prior to joining Keensight Capital, Theodor worked at ArchiMed, a European private-equity firm, where he was involved in healthcare transactions, including Micromed, a Franco-Italian manufacturer of high-end electromedical devices in the field of neurology.

He started his career at capiton AG, a German mid-cap investment fund, where he was involved in several transactions related to German industrial companies, including Kautex Maschinenbau, nora systems and Trioptics.

Theodor, a German and U.S. national, holds a Master's Degree from Rotterdam School of Management (Erasmus University) and studied International Business at Maastricht University.

About Keensight Capital

Keensight Capital, one of the leading European Growth Buyout firms, is committed to supporting entrepreneurs as they implement their growth strategies. For almost 20 years now, our team of seasoned professionals have leveraged their knowledge in investment and growth industries to invest for the long term in profitable companies with high growth potential and revenues in the range of €15 million to €250 million.

Drawing on our expertise in the sectors of Information Technology/Internet and Healthcare/Wellbeing, we identify the best investment opportunities in Europe and work closely with management teams to develop and achieve their strategic vision.
